

MID-VALLEY WATER SKI CLUB

SHORTLINE

FEBRUARY 2009

A WORD {OR TWO} FROM OUR PRESIDENT

Great January meeting and hope to see everyone at our February meeting.

Need ideas and help in preparing a calendar for upcoming events this season.

With water levels so low and not much snow in the Sierra it is very difficult to be excited about the upcoming summer.

Remember, the lakes are half full, not half empty. And more storms yet to come.

Besides putting together the 2009 calendar, we need help in preparing for our Second Annual Tri-Tip Dinner fundraiser in Oakdale.

There will also be an update on a Boat Safety Program, Junior Development, Tournament Series, County Use Agreement, Member's list and club dues, USA and INT tournaments, and all the other fun things we do.

Please feel free to express any ideas and suggestions at the meeting, or e-mail me.

Also, if you know of any families or friends that might be interested in joining the club, please have them attend one of our meetings.

Everyone take care and see ya soon.

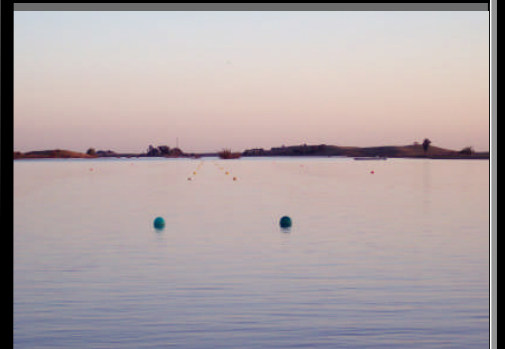

Nick Martin,
Club President On the Loose
