# SHORTLINE

JANUARY 2009

## A WORD {OR TWO} FROM OUR NEW PRESIDENT

**C**ongratulations on a wonderful 2008 Mid-Valley Water Ski Club season. Looking at all those faces on Polar Bear Day, Society for Handicapped ski days, PAL ski day, Wednesday Night Series, Annual Barbecue Fundraiser, Junior Development Days, and water ski tournaments, helps remind us of the joy and happiness that we give to so many.

A very big thanks to the Mid-Valley Water Ski Club Board, members, family, friends, and sponsors for all the help and time that contributed to such a great year.

With 2009 upon us, it is time to continue our efforts on providing our wonderful community activities despite the tough economic times. In the upcoming months, we need all members' input in the planning and implementation of all the Club's activities and functions for 2009.

Please feel free to express your ideas and experiences on how to make these activities more enjoyable and exciting at the meetings or by contacting the board members online or by phone.

This is a great club because it has such great people with a lot of good ideas. As the year begins, my hopes are to encourage more families to join and participate with us. If there is someone or a family you know or is interested in joining the Club, please have them attend a meeting or contact me for more details.

Club dues, USA Water Ski membership, Polar Bear Day assessment, and upcoming events will be addressed at the next meeting on January 14, 7:00 pm, Fuddrucker's Restaurant. Hope to see all of you there,

Nick Martin  
Mid-Valley Water Ski Club  
President
